Therefore, we are pleased to **provide a free event here at Westport Public School, in our school hall on the 22nd July 2019. Starting at 6:00pm and finished by 7:00pm Kirra Pendergast**, who is the Director of Safe on Social Media Pty Ltd, is coming to talk to our school community about the Law, Information Security, and Privacy when using Social Media.

Kirra will offer unique solutions that combines cyber safety with information security and risk management skills so that we can all learn practical things that they can use in everyday life.

Her company has presented to more than 300,000 students, their parents, and teachers. Her face to face presentations are engaging, entertaining and practical. Kirra proudly delivers non-biased, fact-based solutions without the hysteria that often accompanies cyber safety talks.
