PUBLIC SCHOOL

EXCELLENCE IN A CARING ENVIRONMENT

Tuesday 12th June

Last week our school was involved in the Lower North Coast Cross Country where our students performed very well and three of our students will be going onto the next level. All students put in a great effort and I would like to congratulate all involved on their excellent behaviour.

Last week, our school leaders attended the GRIP leadership conference. The conference is always a fantastic event and the students really enjoyed the opportunity to explore leadership concepts. We have great student leaders at Westport and we enjoy watching their leadership skills develop over the year.

On Friday, Brady W, Chase M and Chloe D will be representing our school at the Regional Cross Country and I am sure they will do our school proud. Coming up next week will be our school athletics carnival which is always a great day.

I hope you all enjoyed your long weekend.
