PUBLIC SCHOOL

EXCELLENCE IN A CARING ENVIRONMENT

Monday 9 September 2019

Welcome to Week 8, Term 3.

Last Wednesday I had the privilege of attending the Sydney Opera House to watch 30 of our students participate in the Festival of Choral Music. The Festival of Choral Music is an annual showcase of NSW Public School students in a combined choir at the Concert Hall of the Sydney Opera House. This magnificent series of concerts involves hundreds of schools and students from across NSW. The concert series is one of the core State level arts programs managed by The Arts Unit of the NSW Department of Education. Students and their teachers come together to form combined choirs of 700 performers each night. The choirs sing repertoire which is specially composed and arranged for them. The festival also provides a unique opportunity for schools to access targeted high-quality repertoire and professional learning opportunities.

This was an outstanding event and I was very proud of our wonderful school and the excellent behaviour of our students. Mrs Eichler manages our school choir and organised this fantastic experience. Also thank you to Mrs Urquhart for helping to supervise the students. This event highlights the fantastic range of activities our students experience each year.

This week we will begin full rehearsals leading up to our show case performance night "Splendour" at the Glasshouse.

Have a wonderful week.

Stage 1 Excursion

Stage 1 had a brilliant time on our excursion this week to Sea Acres Rainforest and the Koala Hospital. Our students added new information to their knowledge banks about koalas and rainforest plants and animals. We were also complemented on our wonderful behaviours and enthusiastic questions. We raised \$95.00 in gold coin donations for the Koala Hospital. Thank you parents and carers for supporting this important cause.

Stage 1 Teachers

Choir Performance at Sydney Opera House

Thirty of Westport's Senior Choir students performed at The Sydney Opera House this week as members of The NSW Public Schools Arts Unit Festival of Choral Music. Our students formed part of a combined 700 student choir accompanied by some of NSW best public schools concert bands and orchestras. Mrs Urquhart and Mrs Eichler were really proud of how well our students represented Westport Public School at this event. The students had a fantastic time exploring Sydney and performing in the prestigious event.

Splendour Permission Notes Reminder

A reminder that the permission note for Splendour should have now been returned to their teachers for Tuesday 17 September Technical Rehearsal and night performance. All students from K - 6 are involved in this activity and there is no cost. If your child has lost their note they can get another note from their teachers or from Skoolbag app. Staff and students are very excited about this whole school community event. Only 8 sleeps to go so make sure you have purchased your tickets!!!!

Schubert's 7's

Last Tuesday 3 September, Mr Jones and Miss Sharlene accompanied 21 students from Years 5 and 6 to the Schubert 7's Rugby League Gala Day at Stuart's Park in Port Macquarie. The gala day consisted of seven schools from the local area. Westport entered two teams, both being highly competitive on the day. The sportsmanship and enthusiasm from the students on the day was to be commended. Westport was lucky enough to make the grand final, going down to North Haven in a thrilling match 5-3. However, Westport qualified for the regional finals in Coffs Harbour on the 25 of September. Well done to all involved on the day.

Calling for volunteers – we need your help!

Our students really enjoy participating in the Commonwealth Bank School Banking program and to keep this program running we need your help.

The program requires a volunteer School Banking Co-ordinator to facilitate the banking and distribution of School Banking rewards. This only takes a small amount of your time one day a week and the Commonwealth Bank will provide support in how to run the program. Your help with the program will greatly benefit students as they develop vital saving skills and also help our school with fundraising.

Currently, School Banking day is Thursday.

If you are interested in volunteering for this great program, please email: westportpublicschoolpc@gmail.com

The simplest way

... to apply sunscreen correctly.

Sunscreen protects against the damaging effects of the sun by reducing the amount of ultraviolet (UV) rays that reach the skin.

Make sunscreen a habit:

- Use SPF 30 or higher, broad spectrum water-resistant sunscreen
- Apply 20 minutes before going outside
- Re-apply every 2 hours (or after any activity that may remove it)

Sunscreen does not block UV radiation and no sunscreen provides 100% protection. Remember to use SunSmart hats, clothing, sunglasses and seek out shade.

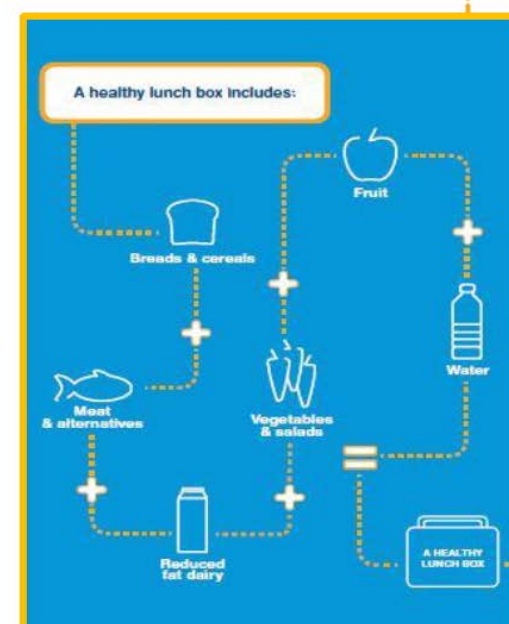

To help keep your kids safe in the sun, check your schools SunSmart status by heading to www.sunsmartnsw.com.au

The simplest way

... to build a healthy lunch box.

A healthy lunch box contains something from each of the 5 food groups plus water.

Our chicken and veg [fried rice recipe](#) ticks off 3 of the 5 food groups. Pack it with yoghurt, some fruit and a bottle of water for a complete lunch.

For more examples and to build your own visit healthylunchbox.com.au

The simplest way

... to get enough calcium.

The biggest opportunity to build strong bones is in childhood, when children are still growing.

This is why it is extremely important that children eat enough calcium rich foods such as milk or calcium fortified dairy alternatives (e.g. soy milk), cheese and yoghurt. Visit the dairy section of our [lunch box builder](#) to see how many dairy serves your child needs and to get calcium rich lunch box ideas.

Visit healthylunchbox.com.au and try these calcium rich recipes:

The simplest way

... to use spring vegetables.

Fruit and vegetables are tastiest and cheapest when they are in season.

During Spring, mandarins, pineapples, berries, asparagus, cucumber, green beans, zucchini, mushrooms and peas are all in season.

Here are some fruit and veg filled, spring ideas:
