EXCELLENCE IN A CARING ENVIRONMENT

Welcome to Week 7.

Attendance

One of our school's Strategic Directions has a focus on attendance. Each Friday our teachers will prompt parents/carers to supply an explanation for any unexplained absences. If a student is absent three full days consecutively or three days within a week, the teacher will try to contact the parent/carer. Our public schools have a target of students attending 95% of the time. This equates to a student not having any more than 10 days away in a school year. Attendance is very important and can improve a student's ability to meet their goals in life.

Covid Level 3 Parents/Carers on Site

Fully vaccinated parents and carers will be allowed on site to support curriculum delivery, vulnerable students or students with disability, student wellbeing activities and school operations or to attend essential meetings (e.g. suspension meetings). Parents and carers must check in using the school check-in, show proof of vaccination on entry to the school site and follow mask-wearing requirements.

Parents and carers must follow their school's advice regarding student drop-off and pick-up, which will usually require parents to remain off school sites at these times. This includes staying in the car when dropping off and picking up children if it is safe to do so. For more information, refer to [Drop-offs and pick-ups](#).

This does not apply to drop-off and pick-up from outside of school hours care (OOSHC) as sign-in and -out procedures are required for OOSHC.

Parents and carers should follow the [physical distancing advice](#) for their local area.

Every day, we will put the safety of our students and staff at the head of our priority list.

We will accept medical advice from NSW Health.

We will comply with the law.

We will do what we can to keep our community safe.

End of Year Tasks

As is always the case, this time of year is very busy with the completion of students reports, leader speeches, Presentation Day, 2022 class planning, kinder and high transitions, the school management plan and annual school report. The school executive and teachers are completing tasks in preparation for a new school year. We are all hoping to have a positive return to a more normal year in 2022.

Have a great week.

Paperbark ducklings have had many visits from other classes this week.

This week K Flame became the proud parents of five baby chicks: Liv, Poppy, Love, Tommy Turbo, Rosie, Joe and Barney. All Kindergarten students have been learning about things they need and have been waiting patiently over the past few weeks for the experience of seeing chickens hatch from their eggs.
