

WESTPORT PUBLIC SCHOOL

EXCELLENCE IN A CARING ENVIRONMENT

Monday 27 June 2022

Welcome to Term 2 Week 10

NAIDOC Assembly

It was great to have so many families visiting our school for the NAIDOC Assembly on Monday. The students completed some wonderful performances in dance, didgeridoos and choir. During the assembly we recognised the role of key Aboriginal staff in our school as well as acknowledging students that are engaged and interested in Aboriginal studies. A big thank you to our staff for providing morning tea for the community and Mr Pettitt, Mrs Heath and Mrs T for the fantastic organisation.

Staff Development Day Term 3

Just a reminder that Monday 18 July after the holidays is a Staff Development Day. Students do not return until Tuesday 19 July.

Wauchope Public Speaking Competition

A big congratulations to the three Westport Public School students that participated in the Wauchope Public Speaking Competition over the weekend. Mason came first, Tilly second and Kayden third. Great work!

Have a great holiday.

Tony Johnston
Principal

Upcoming Events

| | |

Redgum— Lilly, Brock, Matthew
Silkyoak— Blake, Nate

Lower Dance Festival Glasshouse

We are very proud of these amazing students that performed at the Lower North Coast Dance Festival. They were superstars. A huge thank you to their dance teachers as well.

Hastings Secondary College Farm Day

Year 3 participated in a farm day at Hastings Secondary College - Westport Campus. Students learnt how to plant a pea seed, feed calves and how to help grow beef cattle. Then they moved to their Marine labs and learnt about silver perch, turtles and guppies. Lastly they were taught how to cast a fishing line. They all had so much fun!

Pirate Day

Silkyoak and Eucalyptus took part in activities for Pirate Day where students learnt about the letter 'R' aargh. Kurrajong also participated by helping students make a pirate hat as well as preparing a map for students to follow to find the hidden treasure.

NAIDOC Week Deadly Doors

Little Eden Farm Excursion

Stage 2 travelled to Telegraph Point for a trip to Little Eden Farm. The students were able to experience regenerative farm practices with a focus on cows, chickens and pigs. Farmer Todd did a great job and answered all of the students questions seamlessly.

Thank you to everyone involved for making the day a success!

Dear parents, guardians and carers

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students who have adjustments to their learning/wellbeing.

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students who need varying adjustments to their learning and/or wellbeing program.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

Kind regards

Annie Murgatroyd

Learning & Support Coordinator
