EXCELLENCE IN A CARING ENVIRONMENT

27 September 2024

Week 10

Welcome to the holidays!

Dance Eisteddfod

Congratulations to our wonderful dance group for their second place in the dance eisteddfod. This was a fantastic result! Well done and thank you to Mrs Moore for organising the girls and giving them such a memorable experience.

Rugby League Gala Day

Our teams performed well at the rugby league gala day but what was most impressive was the excellent teamwork and sportsmanship displayed on the day. Well done to all involved and a big thank you to Mrs Ehsman and Mr Pepper for coaching and supervising the day.

Diamond Awards

Congratulations to students that received a Diamond Award today. These awards are given to students that have worked hard and followed our school ethos of being Learners who are Respectful and Safe.

NRL Gala Day

Our football students had an exciting break from the classroom on Wednesday as they participated in the NRL Gala Day! They displayed outstanding sportsmanship making the day not just about competition, but also about teamwork and friendship. Well done!

SistaSpeak Deadly Pathways Day

Our SistaSpeak girls were lucky enough to attend the Deadly Pathways Day held at Charles Sturt University. They got to attend a panel session with proud and successful Aboriginal role models, listen to live music, attend market stalls of information and even write a rap freestyle. The day also consisted of two workshops that the girls got to select based around their future interest and how to get themselves through these qualifications. Our girls also attended health, education and technology workshops and learnt some first hand skills.

Life Education Van Visit

The Life Education van is such an important program for all our students. A big thankyou goes to our P & C who generously funded all our students to attend.
